### PARKING AT THE KAY MEEK

Please be advised of ongoing construction at the West Vancouver Senior Secondary sports field. This means that parking will be restricted for the foreseeable future.

Parking options have now changed. Options include:

#### MATHERS AVENUE

The resident only parking signs on Mathers avenue will remain posted but will not be enforced during the construction period. All other parking bylaws remain in effect.

#### SCHOOL PARKING LOT (MATHERS AVENUE)

We will continue to have access to the teachers parking lot (evenings and weekends only) located on the west side of the school.

#### INGLEWOOD PARKING LOT

The upper parking lot, directly across from the field, will be closed to all vehicles. There will be 80 parking spots in the lower lot (between Inglewood and Kings) on the west side. With the district, we have ensured proper lighting and walkways are in place for our patrons when attending an event in our venue. Please allow for some additional time to walk from the parking lot to the theatre when attending a show. Please note that this lot will only be available on the evenings and weekends, and may be unavailable on some Saturdays.
